**SUBJECT.**

Requesting to obtain sanction of Govt for the construction of an in-patient ward at Bagepalle

Letter No. 668 dated 23rd February 1913 from the President District and Munpl Boards, Kolar District to the Senior Surgeon, Mysore Government.

---

In forwarding herewith copy of letter No. 33 dated 2nd February 1913 received from the Executive Engineer, Kolar Division, with its enclosures, I have the honor to state that when the estimate for constructing an in-patient ward at Bagepalli at a cost of R. 5154 (revised figure) was received in the first instance from the Executive Engineer, it was pointed out that there was no provision for it in the current year's budget, and therefore the work could not be undertaken. The Executive Engineer having again suggested that the provision of Rs 1500/- made in the last year's budget for constructing a dispensary at Chelur, may be used by re-appropriation for this work as the Senior Surgeon was not in favour ofa Dispensary in the small village of Chelur, I agreed to the proposal and accordingly countersigned the estimate for R. 1500/- in November last and have since addressed Government to permit re-appropriation of the amount from the closing balance of last year. Again there is this difficulty in the matter of payment of contribution from the Bagepalli Municipality. In connection with the construction of quarters for the Sub Assistant Surgeon and Midwife at Bagepalli it is already brought to notice (vide my letter No. 609 dated 19th December 1911) that the financial condition of this Municipality is very poor and Government feeling satisfied regarding its inability to bear any portion of the cost of this latter work have been pleased to order that a moiety of the cost may be borne by the District Board. I have the honor therefore to request that the circumstances put forth while undertaking the previous work may be similarly taken into consideration in the present case also, and Government may be moved to permit the District Board to bear only a moiety of the cost of this work also. Due provision will however be made in the next year's budget for the difference of the amount over the Rs 1500/- sought to be

re

re-appropriated viz,- Rs 1075/-

The enclosed estimate is duly countersigned.

Letter No. 83 dated 6th January 1913, from the Chief Engineer of Mysore, to the Superintending Engineer, Northern Circle.

----------0----------

I have the honor to forward herewith for early return the project for constructing an In-Patients' Ward at Bagepalli received from the Senior Surgeon with the Government of Mysore with his letter No.2604 dated the 16th December 1912.

2. The necessity for constructing a new kitchen though there is one already existing, is not explained, which may now be ascertained from the medical authorities and reported.

3. The President of the District Board, Kolar, while countersigning the estimate has, perhaps, through oversight, countersigned for Rs 1500/- only instead of for the estimated amount, viz., Rs 5154/- ( as corrected in this office).. This may be got corrected by the President before returning the estimate.

URGENT.

Np. 219. Dated Bangalore, 14th January 1913.

Copy of the above is forwarded to the Executive Engineer, Kolar Division with a request that he will please ascertain and report the necessity for constructing a new kitchen pointed out in para 2 of Chief Engineer's letter.

2. The project is herewith returned to be resubmitted early with the countersignature of the President of the District Board obtained to the estimate of Rs 5154/-.

3. The very early disposal of this reference is requested.
